

HAND RIVETER

Hand riveter with quick-change system for fitting blind rivet nuts and studs

HES 412

Art. No. 0964 948 900

- Complete in the ORSY® 200 case
- Less force application required compared with hand-held rivet setting pliers
- Quick-change system for the mandrels and sleeves
- The rivets can be set in awkward places
- Readable lifting scale
- For working with:
 - Blind rivet nuts M4 to M12 aluminum/steel/stainless steel
 - Blind rivet studs M5/M6/M8 aluminum/steel/stainless steel
