

EC CERTIFICATE

Notified Body No. 0843

CPR Notified Body, UL International (UK) Ltd., Wonerh House, The Guildway, Old Portsmouth Road, Guildford, Surrey, GU3 1LR, United Kingdom

Certificate of constancy of performance 0843-CPR-0175

In compliance with the Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

IPT fuge-/tettemasse **Linear Joint Seal Classified for use in flexible & solid walls and solid floors**

A sealant used to seal linear gaps and joints in and between wall and floor constructions to reinstate the fire resistance performance of wall and floor constructions, where they abut or include gaps. IPT fuge-/tettemasse is supplied in liquid form contained within 200 ml, 300 ml, 380 mm and 600 ml containers. The sealant is gunned into the aperture in or between the separating element/elements and where appropriate around the service or services, to a specified depth utilising various backing materials.

produced by

**Würth Norge AS, Gjelleråsen Næringspark, Morteveien 12, 1481 HAGAN,
Norway**

and produced in the manufacturing plant(s)

A/003

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the ETA:

ETA 14/0142

under system AVCP 1 for the performance set out in this certificate are applied and that

IPT fuge-/tettemasse fulfills (products fulfil) all the prescribed requirements for these performances.

This certificate was first issued on 9th May 2014 and will remain valid as long as the ETA remains valid and the manufacturing conditions in the plant or the factory production control itself are not modified significantly, unless suspended or withdrawn by the product certification body.
