

Boards

Self-declaration that the named building boards fullfill the minimum requirements for pollutants as per BREEAM-NOR's check list A20

This form has to be filled out and signed by a legally responsible person from the manufacturer of building boards, e.g. a technical manager or managing director. The product may not contain chemicals which have to be avoided, in inbound, bound or natural form. Concentrations under the threshold limit value 0,1% are accepted. Checklist A20 is attached, assuming that the information in A20 is known. Note that the date of the declaration form has to match the current process note for the stated period time.

Provided incorrect information can have legal consequences
