

Company: Nobia Production Sweden AB

Paint and Varnish

Self-declaration that the named products comply with the requirements for paint and varnish as per BREEAM chapter HEA 9

This form must be filled out by the **Manufacturer** of paint and varnish.

It is important that the information given here is correct, and we strongly encourage thoroughness in researching the extent to which emission testing and/or test reports show that the product complies with the standards and emission limit values required by BREEAM. If in doubt, the manufacturer should consult own internal and external experts. **Providing incorrect and misleading information can have legal consequences.**

Once filled-out, the form must be signed by a legally responsible person for the manufacturer, such as a technical director or a managing director.

EU's Paints Directive (2004/42/CE) uses the following classification of paint and varnish. We kindly ask you to use the same subcategories (a, b, c, l) in column 2 in the table where the product information is declared.

a) Interior matt walls and ceilings (Gloss <25@60°)	b) Interior glossy walls and ceilings (Gloss >25@60°)
c) Exterior walls of mineral substrate	d) Interior/exterior trim and cladding paints for wood and metal
e) Interior/exterior trim varnishes and woodstains, including opaque woodstains	f) Interior and exterior minimal build woodstains
g) Primers	h) Binding primers
i) One-pack performance coatings	j) Two-pack reactive performance coatings for specific end use such as floors
k) Multi-coloured coatings	l) Decorative effect coatings

You can find more information about what distinguishes the different categories here: <http://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:32004L0042&from=EN>
