Subject : REACH-declaration

To whom it may concern,

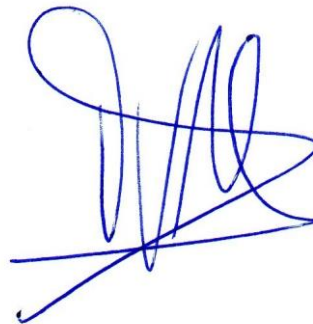

Terrendis hereby certifies that the products that they produce and commercialize are respecting the conditions set forth in the REACH regulation (European regulation n° 1907/2006).

We want to point out that none of the chemical parts (substances of very high concern) listed in the REACH regulation are used in our production process.

Additionally, our products do not fall into the application field of the European Directive 2011/65/EU (RoHS Directive).

We remain at your disposal in case of questions.

Kind Regards

Pascal Verbeke
