

## Vinyl flooring

Self-declaration that the named vinyl flooring fulfills the minimum requirements for pollutants as per BREEAM-NOR's check list A20

This form has to be filled out and signed by a legally responsible person from the manufacturer of vinyl flooring, e.g. a technical manager or a managing director. The product may not contain chemicals which have to be avoided, in unbound, bound or natural form. Concentrations under the threshold limit value 0,1 % are accepted. Checklist A20 is attached, assuming that the information in A20 is known. Note that the date on the declaration form has to match the current process note for the stated period of time.

**Providing incorrect information can have legal consequences.**
