ES – Declaration of Conformity

Manufacturer: LASSELSBERGER, s.r.o., Adelova 2549/1, 320 00 Pilsen – Jižni Predmesti (Co. Id. No.: 25238078)

Plants: LASSELSBERGER, s.r.o., **plant Rakovník**, RAKO III, Lubna 214, 270 36 Lubná u Rakovníka

Plant Podbořany, Dělnická 313, 441 25 Podbořany

plant Horní Brza, Special decorations H.B., Tovarní 77, 330 12 Horní Brza

Hereby declares that the product: **Ceramic tiling elements pressed at dry, E > 10 %, Group BIII, glazed (GL), EN 14411, Appendix L**

Is in accordance with the provisions of the directive of the Council 89/106/EEC and regulation of government Nr. 190/2002, when built-in in accordance with the incorporation manual, and that this standard (these standards) apply to the product and its manufacture:

- EN 14411: December 2006, appendix L, ZA.3, Ceramic tiling elements. Definitions, classification, properties, and designation (CSN EN 14411: August 2007)

This declaration of conformity acknowledges certificate Nr. 030-042698, which has been issued on ground of relevant protocols about product certification. Records relating production control system are supported by certificate Nr. CQS 2255/2010 according to EN ISO 9001:2008.

Product description, purpose, and manner of application in construction:

The group of products are glazed tiling elements designed for final treatment of internal walls in spaces that are not exposed to effects of frost and more substantial mechanical strain. The colour range of the products is varied with different décor types. Before installing the product, it is necessary to adhere to the instructions stated on the packaging and on the packaging leaflets or in the technical catalogue of the manufacturer.

Titles and addresses of notified persons and laboratories that performed the tests and conformity assessment:

- 1) TZÚS Praha, s.p., branch 0300 – Pilsen, Zahradní 15, 326 00 Pilsen, Czech Republic
Notified person 1020, Authorized person Nr. 204
- 2) TZÚS Praha, s.p., branch 0300 – Pilsen, Zahradní 15, 326 00 Pilsen, Czech Republic
Accredited test laboratory no. 1018.1
- 3) NUKLID, association of entrepreneurs, radon survey, radioactivity measurement, calculations of quantities of the ionising radiation, Kralovická 59, 323 28 Pilsen, Czech Republic

An integral part of this declaration is the appendix "Technical Documentation" with data of the CE designation.
