**Declaration  
Knauf Integral Gypsum fibre board GIFAtec (GIFAfloor, GIFAboard)**

Dear Mr Gillmeister,

We hereby declare that the following products produced and delivered by us will be used for production of MERO Type 6 access floor panels and MERO Type Combi-T hollow floor panels:

- Knauf Integral gypsum fibre board compressed
- Knauf Integral gypsum fibre board uncompressed

Therefore our certificates IBR 3108-03 and AbP P-HFM 004273 will be also valid for MERO type 6 access floor panels and MERO Type Combi-T hollow floor panels.

For more information we are happy to assist you.

With best regards

**Knauf Integral KG**

**Ulrich Fries**  
Head of product development
