Xella Nederland BV NEN-EN-ISO 14001:2015

Declaration by SKG-IKOB

This ISO 14001 certificate has been issued by SKG-IKOB on the basis of NEN-EN-ISO 14001:2015 in accordance with the requirements stated in the environmental management assurance standard.

SKG-IKOB declares that on the basis of investigation and periodic inspections by SKG-IKOB, the environmental management system implemented by the certificate holder satisfies the requirements of NEN-EN-ISO 14001:2015 for the field of use:

The production and supply of autoclaved aerated concrete (AAC) and calcium-silicate (CS) products, inclusive associated ancillary materials, thin-layer / general purpose (kicker course) masonry mortars and derivative construction activities, as well as the assembling, erection and finishing of the autoclaved aerated concrete products

EA-code: 16

For SKG-IKOB

drs. W.C.M. Englebert
Certification Manager

SKG-IKOB is responsible for registering this certificate with the Dutch platform for certification of environmental and occupational health & safety management systems SCCM: www.sccm.nl. Users of this certificate are advised to check on www.skgikob.nl whether this document is still valid. This certificate consists of 2 pages.
