Subject	Confirmation of REACH compliance		

Dear Sir/Madam,

In adherence with the REACH Regulation (EC Regulation 1907/2006) concerning the registration and judgment of the authorization and limitations of chemical substances, we hereby inform you that, also based on information provided by our suppliers:

- our products do not contain Substances of Very High Concern (SVHC), as defined in the REACH Regulation, and
- during the normal use of our products, no SVHC substances will be released.

In view of the above, we are discharged from the duty of registration as set out in the REACH Regulation.

Should any information to be provided by our suppliers lead to a different conclusion, we will of course inform you.

Sincerely,

Hunter Douglas Europe B.V.
