

## **EMISSION CLASSIFICATION OF BUILDING MATERIALS**

### **GERFLOR**

The classification working group set up by the Building Information Foundation RTS sr has approved the following product:

**Taralay Compact Element**  
**Taralay Premium Compact Brazilia**  
**Taralay Premium Compact Costa Rica**  
**Taralay Premium Compact Forum**  
**Taralay Premium Compact Fusion**  
**Taralay Premium Compact Indiana**  
**Taralay Premium Compact Metallica**  
**Taralay Premium Compact Osmoz**

as belonging to emission class M1 for building materials.

The classification is valid until November 4, 2020.

GERFLOR has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
