

EMISSION CLASSIFICATION OF BUILDING MATERIALS

GERFLOR

The classification working group set up by the Building Information Foundation RTS sr has approved the following product:

Taralay Element Comfort
Taralay Premium Comfort Brazilia
Taralay Premium Comfort Costa Rica
Taralay Premium Comfort Forum
Taralay Premium Comfort Fusion
Taralay Premium Comfort Indiana
Taralay Premium Comfort Metallica
Taralay Premium Comfort Osmoz

as belonging to emission class M1 for building materials.

The classification is valid until 17.4.2019.

GERFLOR has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
