Instructions:

Vacuum clean, dry mop or sweep the floor to remove loose dirt and dust.

Spray the floor lightly by pressing the spray handle 4-5 times on an area of approx 3m² at a time. Do not overdose since this can leave a film on the floor.

Allow to act for a minute.

Mop the floor with a Pergo microfiber mop. If required wipe the floor afterwards with a clean mop damped with lukewarm water. Repeat if necessary.
